

## IP CAMERAS

### IPV38P2P

Wireless Indoor IP Camera

- HD720P
- Pan & Tilt
- Night Vision (8 meters)
- 11 IR LED's
- Micro SD Card Storage
- Onvif, Motion Detection

### IPV68P2P

Wireless Dome IP Camera

- HD960P
- Pan & Tilt Zoom
- Night Vision (20 meters)
- 4x Optical Zoom
- IP66 Waterproof
- Onvif, Motion Detection

### IPV58P2P

Wireless Outdoor IP Camera

- HD720P
- Wifi 2-Way Audio
- Night Vision (20 meters)
- 12 IR LED's
- IP66 Waterproof
- Onvif, Motion Detection

### IPV4NVR

4-Channel Mini HD NVR

- HD720P / HD960P
- Control up to 4 cameras
- 4TB Storage
- VGA & HDMI output
- Active X
- Onvif Compatible

ebode makes your home easy, safe and smart

## Why ebode

- Fast, local distribution and quick delivery or pick up.
- Friendly exchange program (customers can contact ebode directly).
- 5 year warranty.
- Our products save time or energy, improve convenience or add comfort.

Our product range contains both simple 'Plug and Play' as well as a selection of more advanced entertainment solutions:

- IR solutions
- HDMI Extenders
- Wireless HD Senders
- Bluetooth Receivers
- Audio FM Transmitters
- HDMI connecting
- HD IP cameras

digital

ebode is dedicated to provide customers around the world with innovative and affordable A/V products and accessories.

We are continuously alert to expand and improve our range of products.

ebode will have a solution to fit the customers needs today, tomorrow and into the future.

ebode products have many uses. Whether a customer is looking to save time, save energy, or simply to improve the convenience and comfort of their A/V environment

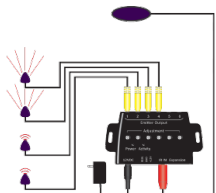

## INFRARED EXTENDERS

### IRLSTK

#### IR Link ST Kit

- Full IR remote control
- Control out of sight devices
- Surface & tabletop receiver
- Includes 2x IR Blaster
- Built-in Magnet
- Ultra wide-band (30-60Khz.)

### IRLPRMK

#### IR Link Pro Mini Kit

- Full IR remote control
- Control out of sight devices
- Mini surface receiver
- Power status LED
- eIR<sup>2</sup>X™ technology
- Ultra Wide-band (30-60Khz.)

### IRLPRFK

#### IR Link Pro Flush Kit

- Full IR remote control
- Control out of sight devices
- Flush mount receiver
- Power status LED
- eIR<sup>2</sup>X™ technology
- Ultra wide-band (30-60Khz.)

### IRLMK

#### IR Link Mini Kit

- Full IR remote control
- Control out of sight devices
- Mini surface receiver
- Operate 2 (opt.5) devices
- eIR<sup>2</sup>X™ technology
- Ultra wide-band (30-60Khz.)

### IRLB/C/PK

#### IR Link B, C and P Kit

- Full IR remote control
- Control out of sight devices
- Tabletop receiver
- B=Battery, C=Coax, P=Power
- eIR<sup>2</sup>X™ technology
- Ultra wide-band (30-60Khz.)

### HDIK30

#### IR over HDMI Kit

- Transfer infrared over HDMI
- Full HD1080P
- 3D supported
- CEC compatible
- No need for extra power
- HDMI 1.4a

## 1/2/3IRED

## IR Accessories

- 1, 2 or 3 emitters
- blinking and non blinking
- Also available as blaster
- Small design
- Includes velcro
- Easy mounting

## HDMI EXTENDERS

### HDBT600/02

#### HDBaseT Extenders

- Ultra HD 4Kx2K
- Distance up to 60m.
- Over single CAT5e/6
- Bi directional IR 38/56Khz.
- 3D supported
- HDBT602 includes RS232

### HD120R

#### HDMI Extender

- Full HD1080P
- Distance up to 120m.
- Over single CAT5e/6
- IR extension
- One to many
- USB power function

### HD120R-R

#### HDMI Extender Receiver

- Full HD1080P
- Distance up to 120m.
- Over single CAT5e/6
- IR extension
- One to many
- USB power function

### HD60IR

#### HDMI Extender

- Full HD1080P
- Distance up to 60m.
- Over single CAT5/5e/6/7
- IR extension
- 3D supported
- USB power function

### HD50

#### HDMI Extender

- Full HD1080P
- Distance up to 50m.
- Over single CAT5/5e/6/7
- Cost effective
- 3D supported
- USB power function

## HD300PL

## HDMI over Powerline

- Full HD1080P
- Distance up to 300m.
- Over Existing Powerline
- IR Extension
- HDMI 1.3
- H.264 MPEG 4/AVC

## WIRELESS HD SENDERS

### VLHD38

#### Wireless A/V Sender

- Full HD1080P
- Distance up to 60m.
- Wireless multi-room HDMI
- 7.1 audio surround sound
- 3D supported
- USB Power Function

### HD60GH

#### Wireless A/V Sender

- Full HD1080P
- Distance up to 10m.
- Wireless in-room HDMI
- 7.1 audio surround sound
- 3D supported
- CEC supported

### HDSPLIT

#### HDMI Splitters (1x 2/4)

- Full HD1080P
- Split up to 2/4 devices
- HDMI 1.4a
- 7.1 audio surround sound
- 3D supported
- HDSPLIT12/HDSPLIT14

### HDSWITCH

#### HDMI Switches (3/5 x1)

- Full HD1080P
- Switch up to 3/5 devices
- HDMI 1.4a
- 7.1 audio surround sound
- 3D supported
- HDSWITCH31/HDSWITCH51

### PM10C

#### Wireless IR Extender

- Distance up to 30m.
- Wireless RF 433 MHz
- Control any A/V source
- IR 38/56Khz.
- Works with original remote
- Optional ebode IR emitters

## VARIOUS AUDIO

### CV30RL

#### Digital/Analog converter

- Full HD1080P
- Supports up to 6 channels
- S.PDIF/Toslink to L/R analog
- Up to 5.1 audio surround
- 3D Supported
- Compact, Easy to install

### WAVE40

#### Bluetooth Music Receiver

- Stream from Smart Devices
- Bluetooth 4.0
- RCA and Toslink Out
- AptX technology
- NFC quick Link
- Includes RCA & Toslink cable

### VL58

#### Wireless A/V Sender

- 2 A/V devices simultaneously
- Wireless through wall/ceiling
- A/V 5.8GHz.
- IR/RF 433MHz.
- No interference from 2.4Ghz.
- Use existing remote control

### FM-66BT

#### FM Bluetooth Transmitter

- Line In Audio
- Handsfree function
- 12V - 24V
- MP3/WPA
- USB Supported
- USB charger function

### FM-66

#### FM Transmitter

- Line In Audio
- MP3
- 12V - 24V
- SD Card Support
- USB Supported
- Stream from Smart Device

### TAKE6/10

#### Universal Remotes

- Control up to 6 / 10 devices
- RF 433 MHz.
- IR/RF 433 MHz.
- IR 38 Khz.
- Easy installation
- TAKE10 has colour display
